Qualifications

To qualify for Senator Brown's nomination, you must be a United States citizen and a legal resident of the State of Ohio.

The service academies require the following:

- For West Point, Annapolis, and the Air Force Academy, you must be at least 17 years old, but not yet 23 years old on July 1, 2020. The Merchant Marine Academy has the same minimum age requirement but accepts students who are not yet 25 years old on July 1, 2020.
- You must not be married, pregnant or have any legal obligation to support children or other dependents.

The Selection Process

Prior to applying for a nomination from Senator Brown, please contact your academy or academies of choice to start the application process. Each academy will apprise you of any special physical, medical or academic requirements specific to that institution.

Each Member of Congress and U.S. Senator may have no more than five appointees in each of the service academies. Senator Brown uses the competitive process which permits him to nominate ten students for each appointment available. **A nomination does not guarantee acceptance to a service academy.** The Academy's Admissions Board ultimately decides who receives an appointment. You are encouraged to also seek a nomination from as many sources as possible, including the Vice-President, Senator Portman, your Member of Congress and for certain candidates, the President.

Senator Brown will appoint a Service Academy Selection Advisory Committee which will be comprised of volunteers who are former and active members of the military and/or local community leaders. All applications will be reviewed to determine which students are most qualified for consideration. Those students who are deemed "highly-qualified" will be interviewed by Advisory Committee members in October or November. Those who receive nominations will be notified by mail or email before January 31, 2020.

ACT and SAT Test Scores

Please submit your ACT or SAT scores. Photo copies are acceptable.

Medical Requirements

A service academy medical examination must be passed before a candidate can receive an appointment. The examination is scheduled by the Department of Defense Medical Examination Review Board (DODMERB). Please carefully review the medical information on the academy websites and contact the academies directly if you have any questions or concerns about disqualifying medical conditions.

Reapplying for Senator Brown's Nomination

Those not selected for a nomination last year may reapply as long as they still meet the age requirements. Applicants may use old recommendations and essays but must complete a new application.

Each essay should be on a separate sheet of paper and should be no longer than one page in length.
